

PSYCHOSEXUAL DEVELOPMENT OF CHILDREN AGED 0 TO 5 OR AGED 0 TO 12 YEARS OLD

WORKSHOP FOR THE STAFF OF EARLY CHILDHOOD CENTRES, PARENTS AND ADULTS IN GENERAL

Duration: 2 hours

Price: \$60/workshop

General objective: To raise awareness, equip and inform adults regarding behaviours relating to children's sexuality.

Specific objectives:

- To inform adults about the typical psychosexual development of children
- To equip adults to know how to discuss sexuality with children (answering children's questions)
- To equip adults with preferred interventions strategies
- To empower adults to recognize typical and atypical behaviours in children's development in order to intervene when appropriate
- To educate adults about disconcerting behaviours

Topics covered:

- Typical psychosexual development
- Ways to intervene in various situations
- Stress indicators
- Disconcerting and alarming sexual behaviours
- Filing a report to the DYP
- Frequently asked questions from children and adults
